Docket No. 98N-12657 4 '99 APR 19 A9:59
Food and Drug Administration
5600 Fishers Lane
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular,
I OBJECT to the definition of "inordinate amount" which restricts the availability
and the right to obtain medically necessary compounded medications by limiting
the number of prescriptions that can be shipped across state lines from specialized
compounding pharmacies.

COMMENTS: Please do not stop prescriptions
from being shipped over state lines. I
can not take the drugs that are not
individually compounded to my prescription.
